We started off March with a great meeting. We had 36 attending the March meeting.

The Visitation to Chapter R was a good one; we had 10 members to go to Canton. We all had a good time visiting with Chapter R.

It was a cold day for our Dinner Ride to Vanna Bar BQ but that did not stop us; we had 13 to attend had some real good Bar BQ, and a lot of good fellowship as always. We do miss the ones that didn't make it. Maybe next time.

As I told you at the March meeting I was stepping up to take Roy Degler's Position as Georgia District Educator. I will still be the Chapter Director here at I-2 ; just taking on more responsibility. We would like to Thank Roy & Julie for a job well done. They have moved Georgia Rider Education to a new level. We hope we can do the same. Melinda & I will be here to help you in any way we can. Chapter I-2 has been a great experience for us and we are looking forward to the new position at the state level.

#### Upcoming events

April 18<sup>th</sup> we will be going to Chapter T's Fun Day. Leave Lavonia Exxon at 9 am to go to Black Creek Baptist Church.

*(Continued on page 2)*

**Friends for Fun, Safety and Knowledge**

April 25 Chapter B is having their 30<sup>th</sup> Anniversary, and we'll be going for the weekend, will leave Lavonia Exxon at 1pm on Friday the 24<sup>th</sup> and will be back Sunday 25<sup>th</sup>. We have 13 members going at this time. We would like more of you to come if you can. If you can't make the weekend come on Saturday, be there by 10 am. It is just a little over 100 miles.

Our next meeting at Shoney's will be May 16<sup>th</sup>. Hope to see you there.

Ride Safe & Enjoy life,

## TOPIC: THE INVISIBLE MOTORCYCLIST

"I never saw him. He came out of nowhere!" That's probably the most common statements heard at a collision between an automobile and a motorcyclist. They're usually made by the operator of the auto because the motorcyclist is unconscious (or worse).

As riders we wonder, "How can *they* NOT see us? Are *they* just not looking?"

A lack of attention on the part of the driver does explain some of the car/bike collisions; the distracted driver, cell 'phones, unruly children, etc. All these can contribute **BUT** some responsibility belongs to the motorcyclist as well.

I know. I know. That's heresy. Let me explain.

- Motorcycles make up about 3% of the "normal" traffic flow.
- People "see" what they expect to see; things like cars and trucks
- Unless the rider does something to visually stand out, he can be easily overlooked.
- Motorcycles **ARE** much harder to see than cars/trucks because of their smaller size. A motorcycle can easily be "lost" in the background even with the headlight on.
- Many motorcycles are colors that lend themselves to blending into the environment. Particularly dark colored machines (black is the color of pavement after all).

Many motorcyclist wear dark colored helmets (or no helmet at all, but we won't discuss those here) AND dark colored clothing. A number of studies in the US and abroad have shown that a light colored (white, silver, yellow) helmet is more noticeable (during daylight hours) than a dark colored (black, dark red, dark blue) helmet. Why? The driver sees this bright colored "orb" floating above the traffic (most riders heads are higher than the hoods/windshields of cars). It's DIFFERENT.

Lastly (and sadly), most motorcyclists are not skilled in emergency maneuvers. Over 13% of the motorcyclists involved in fatal crashes made NO effort to avoid the collision. They didn't brake, they didn't swerve, they just rode right into the collision. That's because, after they've gotten their license, they don't practice those kinds of maneuvers regularly (or ever). Motorcycling is a SKILL. It takes practice.

(Continued on page 4)

So how can you NOT be the Invisible Motorcyclist?

- Position your bike so it can be seen and identified in the traffic stream.
- Wear bright colors
- Consider getting a brightly colored bike
- PRACTICE your emergency maneuvers

Or you could take the advice I got once from a very experienced rider. He told me not to "ride like I was invisible." He told me to ride like they can see me and are actively planning to do something to take me out."

## Gold Wing Road Riders Association Rider Education Levels Program "The Building Blocks of Rider Education"

(Chart Available in the Clip Art Section of the Rider Education Website)

## Jeanna Phillips Motorist Awareness Coordinator

April 13, 2015

The Motorist Awareness Division and Rider Education Program, through a Team effort, are committed to a goal of establishing the safest motorcycling environment possible. While Rider Education trains and educates motorcycle riders, the Motorist Awareness Division (MAD) will focus on educating the motorist community. Our primary goal in motorist awareness will be to reduce the number of motorcycle crashes with other highway users, a reduction in the loss of life, and a reduction in injuries

### A New Era in Motorist Awareness - A Simple Plan ...

The Motorist Awareness Division of GWRRR, through a "Share the Road" campaign will pursue three aspects of motorist awareness. Each of these three are supportive of each other:

- **Awareness Education** - Providing motorists with First Class, professional education through our certified seminar presentations. Our presentations will be developed for a multitude of audiences, educating them to a better understanding of motorcyclists, the risks involved, a heightened awareness of motorcycle presence and what they as motorists can do in the prevention of crashes.
- **"Drive Aware!"**
- **Awareness Advertisement** - Serves as a reminder to motorists that they share the road with motorcycles. Reinforced reminder to the education aspect.
- **Public Relations** - Interaction with the motoring public has the ability to reflect highly on GWRRR and to mold public opinion on how they view motorcyclists.

Our goal in this area is to build a rapport with motorists and leave them with a feeling that motorcyclists are real people who could be their friend, neighbor, or even a relative.

The Motorist Awareness Division has already begun working with the Motorcycle Safety Foundation (MSF) and other organizations within the motorcycling community. Communications and the sharing of information between us and these organizations helps build our programs, sets the stage for success and benefits the entire motorcycling community.

## Riding, Retirement and Websites

We are really proud to see and hear about the many chapter rides and chapter visitations that have taken place in the first quarter of 2015. The support of fellow Chapters and Districts has been impressive and is very much appreciated by the hosting Chapter and the District. At the Florida District Rally, Georgia was recognized as the largest visiting District and Georgia Chapter—A as the largest Visiting Chapter! We would like to say thank you for your support at all of the GWRRA Events.

It is with regret that we must announce the retirement of Roy and Julie Degler as Georgia District Educator and Medic First Aid Coordinator. I cannot find sufficient words to describe our appreciation for the commitment and dedication these two have for their fellow members, the District of Georgia and GWRRA. Roy and Julie have served as true ambassadors of this organization. Roy and Julie accepted their positions in June of 2011 and immediately went to work to bring Rider Education to a higher level. Over the last forty five months they have worked with the Chapters and District to provide a phenomenal Rider Education Program for all of the members.

Please join us in welcoming Frank and Melinda Brothers as the newly appointed Georgia District Educators/Medic First Aid Coordinators! Frank and Melinda are

well equipped with the tools and experience necessary to keep the Ride Education Program moving forward and we have full confidence that they will do a great job for the members and GWRRA.

I have received several emails lately in regard to the Georgia District Website. Some members are having trouble finding information on the site. I have found that 90% of the time the problem was that the member is using the wrong web address. In June of 2014, due to changes in our website software, we had to change the address—just a little. The current Georgia District Website address is [www.gwrra-ga.com](http://www.gwrra-ga.com) and was published several times by email and in the District Newsletter. Therefore if you had saved the older District Website address in your browser favorites, you are most likely getting the old site when you log-in. The same thing may happen if you use a search engine, like Google, to find the link to the Georgia Website. So please make sure you are using [www.gwrra-ga.com](http://www.gwrra-ga.com) the correct Georgia District web address.

### Farewell...

“Good night, good night!  
 Parting is such sweet  
 sorrow,  
 That I shall say good night  
 till it be morrow.” –  
*Shakespeare - Romeo and  
 Juliet*

We will keep this short  
 and sweet...I know,  
 unheard of from us!

Unfortunately, all things  
 must come to an end. For  
 Julie and myself the road  
 of life is about to take a  
 drastic turn. The company  
 I work for is pulling out of  
 Georgia and alas if I want  
 to be employed we must  
 follow that road to  
 Wisconsin.

We take with us a lot of  
 profound memories that  
 we shared with our  
 extended GWRRA family  
 through the years. Met a

lot of great people...taught  
 a lot of seminars, riding  
 courses, CPR/First Aid and  
 so much more...ate a lot of  
 good food—imagine that—  
 cried a few tears, but more  
 than anything else laughed  
 a lot!!!!

Change is inevitable and  
 change can be good. We  
 are passing the reigns to  
 Frank and Melinda  
 Brothers and these fine  
 folks are going to take  
 Rider Education to places  
 we never even dreamed of.  
 We trust that you will  
 provide them with the  
 friendship and support  
 that you have always given  
 us.

Once again it has been an  
 honor and a pleasure for  
 Julie and I to serve our  
 fellow GWRRA family  
 members! We will miss

you, but carry with us all of  
 the memories that we have  
 made over the last ten  
 years...nine of them as an  
 Officer at some level.

For some reason we just  
 cannot seem to get a  
 certain song out of our  
 heads. How many articles  
 have you ever read that  
 started with a Shakespeare  
 quote and end with a  
 Grateful Dead song lyric?  
 Crazy right? Here goes:  
 “What a long, strange trip  
 it’s been!” – *Truckin’*

 We’ll See You On The  
 Road**

### ABOUT GWRRA’S UNIVERSITY TRAINER PROGRAM

The University Trainer  
 Program is a cooperative  
 effort between GWRRA  
 Leadership Training  
 (LTP), Rider Education  
 (Rider Ed) & Membership  
 Enhancement (MEC). The  
 University Trainer  
 Development Program is  
 designed to teach  
 candidates to become  
 qualified instructors and  
 ultimately become  
 Certified University  
 Trainers. This will provide  
 a nationwide pool of  
 competent instructors to  
 give GWRRA participants  
 the quality instruction  
 they deserve.

Once the candidate has  
 completed the University  
 Trainer Development  
 Program they can become  
 certified in one of the  
 three disciplines (LTP,  
 Rider ED. or MEC). This  
 is done by presenting a  
 seminar in their particular  
 discipline while being  
 evaluated by the District  
 Officer. Once certified, a  
 University Trainer may  
 present any of the classes  
 or seminars in the  
 discipline for which they  
 are certified. The goal is to  
 provide quality  
 instruction as close to the  
 chapter level as possible.

This makes it easier for the  
 participant to take  
 advantage of the  
 information and  
 participate, thus living up  
 to our motto, **Friends for  
 Fun, Safety  
 & Knowledge.**

The Georgia District is  
 proud to have presented a  
 University Trainer  
 Development Program in  
 Warner Robins, GA on  
 Saturday, March 7th.  
 Georgia is one of only three  
 districts in the nation to  
 present the class this year.  
 The candidates that

### LOOKING FORWARD TO A FAMILY THANG!

Yes, that is what we are calling the upcoming Georgia District Convention—*Goldwing Dynasty, A Family Thang!* Larry and I are looking forward to seeing all of our extended families from Florida, Alabama, Mississippi, and South Carolina, and from outside our region like Jan and Dennis from Tennessee. We have made so many friends in the past ten years! GWRRA has become a very important part of our lives, and we don't know what we would do without the love and support of all of you!

The District Team brainstormed this year to come up with something different and unique. The RV Resort looks to be very

successful for those of you who have campers and for all of you. We have had a good response so far. The Gateway Inn, formerly the Holiday Inn, as the host hotel, will welcome a lot of you there as well. Remember to make your reservations soon! Of course, the Dillard House and other local hotels are taking reservations also. We look forward to seeing you at one of them!

We have included a dinner and a pancake breakfast for you. We will have the usual games, door prizes, 50/25/25, and chapter challenges, and some unique surprises as well. We guarantee lots of fun! We hope to have plenty of picnic tables and

outdoor activities, but we do have an indoor building for the talent show and closing. Oh yes, bring your Goldwing Dynasty—A Family Thang theme for the talent show with you so we can all enjoy the show! I do hope you will join us and the rest of the team in making Gold Wing Dynasty truly a fun family thang!

Friends are important to us, and we want to see all of you there in Dillard. If you are new, we will give you a big hug and welcome you to the family. Come on in!
