Director's Notes

FRIENDS FOR FUN, SAFETY AND KNOWLEDGE

With the start of the New Year we will be making a lot of changes in the way that GWRRR operates. You will start to see some of the changes in the chapter gathering and on the rides. I hope that everyone will take the changes in a positive way. It will be what we as members do with the changes that make it fun for all of us. When you are asked to participate in activities please do so if you do not then you have missed out on some of the fun. It will take everyone to make all this work.

Rob Dougher will be our new ride Coordinator he will be asking you to help plan rides We need to plan at least 3 months at a time. All rides will be posted on the Chapter's web site and the District's web site, So that you can see what is going on in the District This way you can see if you would like to take a ride with another Chapter. You will always be welcome to ride with any chapter. So take advantage of all the rides that are out there.

As always Ride safe.

On a note of interest, anyone who wants to write an article on anything dealing with our Chapter or motorcycling please do so and send it to Frank and if appropriate he will get it in our newsletter. I for one will follow with some articles to find out who wants to ride and where would you like to go. As we get older we seem to think we have seen it all and have done as much as we could but I believe there is still more places to see and even revisit. These are the times that we talk about, and then say in the same breath we are not doing anything, anymore. So like the younger days let us start making more memories and having more fun.

Ride/Activity Survey

GWRRRA has decided some of the problems that Chapters are having is the lack of activity. This includes rides and other out of meeting activities. Since we have had a hard time getting people out for rides and suggestions for activities are not always flowing that a Survey might be helpful to put some dates on our to-do list. Please fill out the questions and bring them to the meeting or email me your answers and requests.

PLEASE CIRCLE as many that apply and if you can indicate preferred that would Help.

to the coast.

My Example - One activity I would like to see our Chapter do is a ***Progressive Dinner***. 3 families would host this with one serving Appetizers, then drive to another home for Main Course and a 3 home for Desserts. Everyone coming would be asked to bring one item.

PLEASE LET US KNOW WHAT YOU WOULD LIKE TO DO

We are going to try and do something so it might be something you would like to participate in.

You can email Rob Dougher at rddougher@juno.com or Frank Brothers or bring your input to the meeting. This means we would also like input from the ones that have gone away for the winter
