FRIENDS FOR FUN, SAFETY AND KNOWLEDGE

Looks like it is time for change....In just a few days we will be witnessing one of the first changes in our GWRRA District of Georgia. The "Come Ride With Us" "Georgia District Ride In" will start on Thursday September 19th In Dillard. It seems to be aimed at the reason we joined GWRRA, Friendship Fun and Riding. Doris and I are looking forward to see the changes. We have been in long enough to have done most everything that was offered and while we enjoyed them we would want something different to shake the tree. We are really happy to see the number of our Chapter members coming out for this event. This event is to encourage getting together with other Chapters and riding to some of the best roads that any state has. When this event is over please bring your "Likes and Dislikes" to our Chapter meeting. The District staff would like to hear about them. You can also tell them directly during the event or later. Remember they try their best and put a lot of time in trying make it fun so please so when comments are made please be kind. **PS...** There will be a few of us entering the Chili Cook Off of Thursday night so come out and try our efforts.

We have had a few Chapter - Pak N Rides - and the ones who have come seem to enjoy the City Parks we have visited along with the consumption of Ice Cream after eating. We will keep moving them around in hopes a few will be close to others so they can meet us.

There is also been a few last minute rides and I know they have been during the week and I will try and get some for the week ends.

Our next official ride after this week will be "Wings Over the Smokies", North Carolina Rally in Waynesville, NC on September 27th. We will leave Exxon Gas station in Lavonia at 7:30 am and pick up others at Rt 17A and Rt 23 near the gas stations in Hollywood a little after 8am.

October 19 will be our last meeting for the year with our Holiday Party being November 16th. We will be losing some of our members to Florida as they seem to want to keep all this heat going for the rest of this year. We will wish them well and hope for them to be **Safe** and especially **Healthy** and have fun during their absences.

Hope to see you this weekend...
