## Director's Notes

March has come and gone with a lot of good riding weather. April is here with summer like weather. I hope you are out riding and enjoying the nice days we are having.

We had a large crowd at our March Gathering with 40 attending. Our Dinner Ride was a little off this month, we had 10 going to Hog Wild in Clarkesville. We had a great time.

Our Dinner Ride will be on April 28, in line at 4:30pm, Redd House Restaurant, Nicholson, GA, located at 2267 Thyatira-Brockton Rd.-- halfway between Jefferson (Hwy. 11) and Nicholson (Hwy. 441) via Hwy 335 (Brockton Rd.).

## Larry Crouse Chapter Educator

Are Your Chapter Riders in a Group ... Or a Gaggle?

I'll bet you've seen plenty of both — the nice tight staggered formation of five or so Wings, each one a second behind the offset bike moving as a unit — or, a string of seemingly unrelated motorcycles who all coincidentally happen to be going in the same direction.

Before you decide one is correct and the other not, recognize that each style is a matter of choice. But if your Chapter chooses to ride as a group, or a team, there are some things to keep in mind, things that will first, promote safety, second, enhance the enjoyment of the ride, and third ... look cool.

The GWRRRA Team Riding Manual is full of tips and tactics for successful team riding. Every Chapter should have at least one copy. If not, see your Chapter Educator. Another excellent resource is the Road Captain Course available through your Educator or as a download from the GWRRRA Web site.

A point that each of these manuals make that is not always put into practice, is the role of the leader and the tail gunner, or drag. In fact, the Team Riding Manual calls the lead bike, "Team Point" and the last bike in line the "Team Captain." As the titles suggest, the rider up front is not the leader (read - not in charge of the group). The lead bike and the drag bike share leadership responsibilities equally. They are both responsible for the safety of the group, and each has specific responsibilities relative to their positions in the group. Read the manual for the details.

The first question every Chapter must ask is, "which way do we want to ride?" Exerting influence on members to ride as a team, or a group, or a gaggle, if they would rather make another choice, does not make for a happy riding experience. Some Chapters divide their flights by style of riding. Those decisions are best made among Chapter members.

WOW, is it good riding weather or what? An early spring brings blue skies and perfect temperatures for motorcycle riding. We have just returned from the Florida District Convention and **needless to say we didn't win the Gold Wing**, but we did have a great time visiting with everyone. Bill and Gina Berry, their District Team and Volunteers put on an excellent Rally. We had loads of fun participating in many of the activities, going to dinner and even taking a short ride with Members of our GWRRA Family. Vicky and I are proud to report that Georgia was well represented at the Florida District Convention and was recognized as the Largest District in attendance from outside Florida. Thanks to the support of the many Members from several different Georgia Chapters. Vicky and I thank every one of you that attended the Florida District Convention and we hope you enjoyed it as much as we did. Chapter GA-D was also recognized as the Largest Chapter in attendance from outside of Florida. Way to Go GA-D!

**“CONGRATULATIONS” to “Georgia Chapter A” as being the 2011 Top Recruiting Chapter in all of GWRRA with 148 Members Recruited in 2011. We are proud of Chapter A’s accomplishments through the efforts of the Chapter A Members.**

The Georgia Wing Fling is rapidly approaching and we are very excited about the number of pre-registrations we have received and, as of the writing of this newsletter there are only two rooms available in the Host Hotel. We hope that you are making plans to join us for the Rumble in the Jungle at the Dillard House Convention Center in Dillard, GA. The best way to enjoy a GWRRA Rally is to participate in as many ways as you possibly can. There will be plenty to do, such as Educational Seminars, Games, Contest, Bike Show, Vendors, Ice Cream, Talent Show, Chapter Challenge and District Challenge. **CAUTION:** This event is not recommended for those that may be afraid to **LAUGH**, have **FUN** and **ENJOY** themselves. If you have such a fear, the Doctor recommends that you attend two (2) Chapter Gathering, several Chapter Rides, and other GWRRA activities. In most cases these require to be taken with **FOOD!!** If you follow these recommendations it will surely prepare you for such an event as **The Georgia “Wing Fling” District Convention.** We hope to see you there!!

Remember that the Alabama District Convention is coming up next. Let's go and support our neighbors in Alabama.

*Tommy & Vicky*

## Share the Road and Educate

"Share the Road" is the motto for the Motorist Awareness Program. The Program's mission is to provide information and educate other Motorists on means to reduce crashes, near misses and conflicts with Motorcyclists.

I would like to take this time to congratulate those Chapters in the District that have either recently conducted, or have scheduled in the near future, a Motorist Awareness Event at Highway Rest Stops/ Shopping Centers. These events are a great way to help educate a large population of other motorists in a short period of time. These events are also an aid in helping GWRRA maintain it's "not for profit" status with the IRS.

What a lot of Chapter Participants have failed to understand is the "One Motorist at a Time" concept. I will admit that for the longest, I was one of those that could not get the concept to sink into my thick skull. During the past 9 months I've spoken with Chapter Directors, Educators, Motorist Awareness Coordinators, and Participants. I have found that there are still lot of GWRRA Members not

understanding the concept. Simply put, each time you, as a Member of GWRRA speak to anyone, anywhere, about: (1) Being a Rider or Co-Rider, (2) The Gear you wear while riding, (3) The number of Motorcyclists on the Road, (4) Motorcycle Accidents and/or near Misses, (5) or any other Motorcyclist related information, **YOU** have just made a Motorist Awareness Presentation about Motorcycling to another Motorist (person to person - one at a time). Most GWRRA Members speak with at least one "other Motorist Person", each time they are out on their Wing, but fail to understand that they have just made another motorist more aware of us, to the benefits of all. This should be reported as a presentation to their respective Chapter Team Member for inclusion into the Rider Education Report, which again helps us maintain that "not for profit" status.

Nearly three fourths of all Motorcycle Accidents involve another Motorist, and two thirds of those accidents are caused by the other motorist failing to yield the right of way to the Motorcycle (1981 HURT Study). We as

Riders are responsible for our own actions while riding, and place ourselves at risk while riding. By making a positive presentation to the other Motorist that share the road with us, we have helped improve the riding environment and helped reduce the risk for all motorcyclists.

Each Chapter should have small Motorist Awareness handouts on hand that are to be presented to other motorists. Each rider should carry a couple of those handouts with them, and pass them out. Yes, there are those that will politely accept them, and then throw them away as soon as your back is turned. However, that one person that accepts it, reads it, and becomes more aware of us because of it, has made the presentation a possible life saving event.

All it takes is educating "one Motorist at a time" that "Share the Road" with us.

"Rumble in the Jungle" is just a few months away; ride safe in order to attend it.

## "Jungle Drums" A Wing Fling Update

Things just keep getting better and better—we now have over **265** GWRRA members schedule to attend our "Rumble in the Jungle" this June. What a party we will have!

While we want you to hang around the host hotel, enjoying all the wonderful events, training, camaraderie, safety chrome and food we have to share at the Dillard House, the northeast Georgia Mountains offer some amazing riding opportunities for you to take pleasure in as well. To the west, off of Highway 180, you will find the highest peak in Georgia at Brasstown Bald. A little bit closer in you will find Hwy 197 which takes

you by Lake Burton. By turning eastward on Burton Dam Road you can make the loop following Seed Lake and Lake Rabun before coming back out on Hwy 441. Westward, out of Clayton, is Warwoman Road, which is a great ride. By turning north on Hwy 28, you can make the trip into Highlands, NC, before following Hwy 106 back to Dillard.

There will be no shortage of fun, so we will see you in Dillard!

## Your Couple of the Year

With our annual officer's conference behind us, I'd like to thank all the Chapter Director's Educators, Membership Enhancement Coordinators, Treasure's and everyone else who showed an interest in their chapter's and to learn about what's new for 2012. A lot of valuable information was passed out. A couple of key items to remember about selecting a Couple to represent your chapter – **Don't just select a couple** because it is considered their turn. Make

sure they are members and their membership will last through their term. Remember the Couple selected will represent your chapter; make sure they have a good and positive attitude towards the chapter and GWRRA. Honor them at each gathering; encourage them to visit other chapters and events and promote your chapter.

For all the new Chapter Couples for 2012, please put in your planner or

calendar May 12<sup>th</sup> 2012. We are currently working on a get together for all the Chapter couples and our District Couple. We are still working on the plans and will communicate it to everyone well in advance. Just save the date. I wish to thank everyone for what they do to help make GWRRA in Georgia a great organization to belong to.
