Director's Notes

A lot of good stuff is happening at Chapter I-2. We had a great time at the Wing-Fling, in Hiawassee, with lots of our folks attending. We came home with 2 First Places and 1 Second Place Plaques. First place in Banner, First place for Chapter Shirts, and Second place for the Newsletter. We give Joe and Merrie Colvard our greatest THANKS for their help with our shirts and banner.

On June 25th, Dinner Ride to Harbor Inn in Anderson, S.C. Those not attending missed a good meal and great fellowship.

On July 10th, we made our first Plaque capture attempt to Rome Chapter L. We had 18 Bikes and 1 car go on the ride, with 27 participants. And we came home with the Plaque, and had a lot of fun. We will giving away the Plaque, July 31st, at Shoney's at 3:00. We will eat at 1:30 and Meet at 2:30. We need all your support on that day, we will have a lot of visiting chapters coming to capture the Plaque.

Our next Dinner Ride will be July 23. To Hartwell Sibling's Restaurant

SAFETY AWARENESS

Concerns

Delores Colley's 37 year old son, Bobby Colley Jr., has just found out that his cancer has returned and this time it is not confined to one area, but is present in all areas of his system. Bobby lives in Home with his wife and 15 year old daughter. There is little that can be done from our human standpoint but we serve an all powerful GOD who does know the beginning from the end and nothing is out of his control . Join me in prayer for Bobby, his family and his mother, Delores and Larry Crouse as they try to meet the need of Bobby during this difficult time.

Glad to hear Tommy & Vickie Martin were just bruised up and not hurt badly in their fender bender on June 26. Hope they recover soon.
